

# National Reined Cow Horse Foundation

The National Reined Cow Horse Foundation exists to promote the reined cow horse heritage and industry, and is a supporting organization for the National Reined Cow Horse Association. As a 501C3 Corporation, the Reined Cow Horse Foundation provides a place for charitable giving to the reined cow horse industry. Donations may be general, for disbursement by the Board of the Foundation, or specific, earmarked for particular projects. Currently, the Foundation funds Youth Activities and Scholarships, the NRCHA Hall of Fame, Historical Preservation of reined cow horse history and the NRCHA Crisis Fund, as well as other individual projects. Donations of all sizes are appreciated, but specific participation levels (based on lifetime donations) have been created to recognize supporters of the Foundation. To contribute to the foundation, email to [nrcha@nrcha.com](mailto:nrcha@nrcha.com), or call the NRCHA Office at 580-759-4949.
