

1. By nomination of a foal crop, offspring of a subscribed stallion from the nominated foal crop are eligible to show in the NRCHA Stakes both as 4-year-olds and 5-year-olds. 6-year-olds are also eligible in the Non Pro Boxing Division only.
2. Any stallion of any breed may be subscribed to the NRCHA Stakes program, subject to provisions as set forth in these rules and stipulated on the entry form.
3. Nominations must be postmarked and paid by February 1 of the following year for each calendar year to avoid paying the higher fee of the following year.
4. Nomination fees will be as follows:
 - a. Paid during the breeding year (the next year’s foal crop) - \$1,000
 - b. Weanling year - \$1,250
 - c. Yearling year - \$1,500
 - d. 2-year-old year - \$1,750

6. All nominators of stallions must be members in good standing of the NRCHA.
7. In the event the stallion owner or syndicate manager chooses not to enroll the stallion, nominators may be persons other than the owner or syndicate manager of the stallion. In the event that the nominator is someone other than the owner or syndicate manager of the stallion, the nominator represents that they are authorized to nominate the stallion.
8. All subscription fees will be made payable to the NRCHA in US funds or its equivalent.
9. The added purse for the NRCHA Stakes will consist of not less than the total stallion nomination fees received less 20% for NRCHA administration. The remaining 80% will be divided between the Open and Non Pro divisions in accordance with NRCHA Board policy. The NRCHA shall have the right to supplement the added-money purse for the event, but shall be under no obligation to do so. A minimum of 5% of the total purse will be used for the Stallion Nominator Award as described below.
10. There shall be no refunds of the nomination fee paid for any reason, and the fee (less 20% for NRCHA administration as set forth above) will become part of the purse for the NRCHA Stakes.
11. In the event a subscribed stallion changes ownership, any previously paid foal crops will remain eligible under the new owner. Nominator Awards will be paid to the original nominator unless otherwise specified in writing to the NRCHA and signed by both the original nominator and the new owner.
12. Stallion Nominator Award: The nominator of the stallion siring the winners of the NRCHA Stakes will receive a monetary award as set by the NRCHA Board of Directors.
13. A list of subscribed stallions nominated to this program and their eligible foal crops will be posted on the NRCHA website, and will be available upon request from the NRCHA.
