

Show Secretary Training

National Reined Cow Horse Association

Overview

The NRCHA is committed to providing helpful training for our NRCHA Show Secretaries. Our goal is to increase the efficiency and accuracy of results provided to the NRCHA and to our exhibitors.

Starting in 2014, all NRCHA Show Secretaries must be certified. Successful completion of this PowerPoint presentation and earning a passing score on a test will result in certification.

In addition, NRCHA Show Secretaries and Show Managers must be current NRCHA members in good standing. The NRCHA Show Manager has the right to delegate responsibilities to an NRCHA Show Secretary.

The show approval packet will contain a cover sheet and all form necessary for all categories of events. You will only need to complete one cover sheet and category form(s) specific to your event.

Please keep in mind, a show is not approved until you receive an approval letter from the NRCHA office. At that time, the show will appear on the calendar of events on the website and Reined Cow Horse News.

Things to keep in mind (refer to section 12.1 in the NRCHA Rulebook):

- Show approval applications must be sent in at least sixty (60) days prior to the event.
- Show approval applications received between thirty (30) and fifty-nine (59) days prior to the event are subject to a \$50 fine.
- If a show is cancelled without a thirty (30) day notice, the show approval fee is forfeited.
- Your approval CANNOT BE CHANGED unless a new approval form is sent in thirty (30) days prior to the closing date of entry for the show. Some examples of changes include: show name, dates, location, judges, fees, added money, etc.
- All NRCHA approved events must be at least 300 miles away from another NRCHA approved events. Any shows within a 300 mile radius will not be approved by the NRCHA.

- Any shows held during the other NRCHA Premier Events must be more then 750 miles away.

Show Approval Application

Mandatory classes for NRCHA Approved Horse shows, other than LAE, are the Open Bridle and Open Hackamore classes. Show management cannot force entry into another horse show class except Intermediate Open, Select and Youth 13 & Under Horse Show classes. (Example: to enter Level 1 Non Pro Bridle, riders cannot be forced to enter the Non Pro Bridle). For a full roster of classes see Section 3 in the NRCHA Rulebook. Other classes may be approved as Category 2 Classes.

All approved classes must include both rein work and cow work.

A spectacular (rein, cow and herd) such as an Open Bridle Spectacular or Open Hackamore Spectacular may be used in place of the horse show class. When a spectacular is held in place of a horse show class, it is eligible for NRCHA points.

No double judged, double pointed shows or two NRCHA shows on one day in the same location will be approved by the NRCHA.

NRCHA shows with added money of more than \$30,000 must use two or more judges.

The same NRCHA approved judge(s) must be used for every aspect of the class. Ex: the same judge(s) must be used in the rein, cow and herd work.

A show that is approved by the NRCHA must use the current Association rules.

Fee Breakdown

Add Back

- Also known as the jackpot and must be 1.5 times the Office Fee.
- This portion of the entry fee is multiplied by the number of entries.
- Then, you add in the added money to equal your total purse.
 - Example: You have an Open Bridle class with \$250 added money and the add back is \$50. You have 6 entries and all 6 showed. You'll take the \$50 x 6 = \$300 (add back). \$300 (add back) + \$250 (added money) = \$550 (total purse).
- When using the Excel file, If your add back is not 1.5 times the Office Fee, the cell will be red.

Office Fee

- This is the amount that the host organization retains.
 Judge Fee
- This is another fee that the host organization retains. We do recommend that you are transparent about this fee and what it contains. For example, if your organization requires a membership fee for all exhibitors, it can go under this fee.

Cattle Fee

- The fee charged for cattle. Most organizations do not charge the cattle fee twice if an exhibitor is entering multiple classes ran concurrently.
- NRCHA Fee
- This is charged to every entry SHOWN. It is not charged to scratched entries.

Video Fee

It is required to videotape any NRCHA approved events that have \$5,000 or more in added money.

Total Entry Fee

• This is the total cost to enter a class. This is automatically calculated in the workbook.

Added Money

The added money is the only thing that can change during the show ONLY if the added money is being increased. It cannot be decreased without a new show approval fee being sent into NRCHA within 30 days of entry.

Hiring an NRCHA Approved Judge

To find an NRCHA approved judge, go to: <u>https://www.nrcha.com/nrcha-judges-list/</u>

Judge's Contract

- Get the contract signed
 - Send two copies of the contract to each judge; one for their file and one to be signed and returned to the show management
 - There is a judge's contract template available on the NRCHA website found under Programs / Show Management Materials
- Determine the daily rate
 - Typical rates are \$400 \$600 per day
 - Overtime rates should be discussed
- Travel
 - Most organizations will cover all travel expenses
 - Book travel far enough in advanced to avoid increased fees
- Keep in contact
 - Be sure to stay in contact with your judge, especially 1-2 weeks before the show to finalize any details

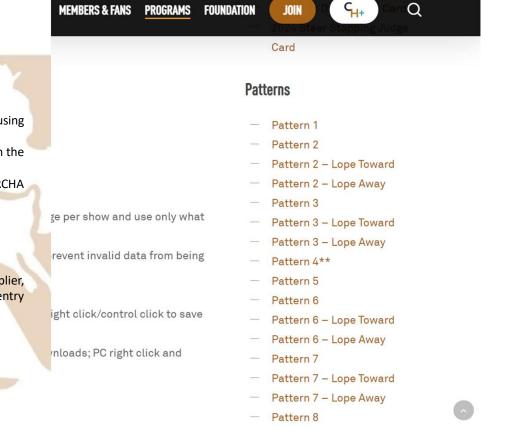

Patterns

- Patterns must be determined and posted at least two classes prior
- Show Management may require exhibitors to lope in the arena when using pattern(s) that begin with circles
- If used a pattern is used as a lope in, it must be posted at the back gate and on the pattern handout
- All NRCHA patterns can be found in the NRCHA Rulebook or on the NRCHA website under Programs / Show Management Materials

Show Staff

- Show Management is responsible for hiring show staff
- These positions include but are not limited to: announcer, cattle supplier, videographer/photographer, farrier, bedding supplier, scribes, gate and entry personnel

Bit Checking

- Show Management should appoint a Bit Checker
- Bit Checker's duties include standing at the back gate to inspect every NRCHA exhibitor's headgear/equipment after they have completed their run
- If the Bit Checker finds a violation (blood in the mouth or illegal equipment) the exhibitor and judge will be notified and the exhibitor will be disqualified
- The Bit Checker should have a very good understanding of the NRCHA rulebook ideally an NRCHA approved judge

NRCHA Representative

- Show Management should appoint an NRCHA Representative
- NRCHA Representative acts as a liaison between the exhibitors, show management, and the judge
- This person should be a neutral party, who is a current NRCHA member in good standing, has a very good understanding of the NRCHA rulebook
- This person cannot be the Show Secretary or Show Manager
- Before the start of the show this person must be selected, announced, and posted

Emergency Medical Technician

- NRCHA strongly recommends that an EMT (Emergency Medical Technician), an Ambulance or other qualified medical personnel, along with suitable equipment, be on the show grounds while the show is in progress.
- If your show is small and cannot afford to have an ambulance on the grounds, you may want to contact your local EMT service personnel and make them aware of your upcoming show. Also provide them with the dates, times and directions if an emergency were to occur.

Cattle

- Fresh cattle for the fence work CAN be cattle that were used in the herd work. Cattle that have gone down the fence should not be used in herd work, but can be used for boxing. Ideally, the schedule is set up so that your cattle can go from herd work to fence work to boxing.
- For every 8 head of cattle or fraction thereof, one extra head should be supplied. It is strongly suggested that a minimum of 2.5 cattle for each entry in the herd work should be supplied.
- At the NRCHA managed events, cattle start in the herd work and then a portion of the cattle move over to the practice pen and then rest are retained for the show pen and used down the fence and in the boxing.

Entries

- Per NRCHA Rulebook 12.1.15, entry forms must contain the following disclaimer and all participants must sign:
 - "By my signature below I hereby acknowledge that I meet the criteria for eligibility to compete in the classes entered according to the guidelines set forth in the NRCHA rulebook."
- This is to ensure that competitors are aware of the criteria for the different classes in which they are indeed eligible to compete.

Back Numbers

Back numbers are not required, but if you provide them, exhibitors must wear them. Many feed companies will supply them to you at no cost.

Stalling

- Create a stall chart prior to the show. A simple diagram of the barn(s) and number of stalls will do.
- A larger show may require a stall manager.

Sponsors

- Contact sponsors for their contributions.
- Secretaries for small shows may be able to take care of this more quickly, but the earlier more thorough the planning, the better the results.

Hotels

Contact local hotels. They may donate rooms or give a special show rate. Reserve all required rooms for staff.

Publicity

 Arrange for someone to handle publicity and press releases. There are many newspapers and/or horse publications that have a free Calendar of Events section. Post show dates and locations of the show at local tack shops and feed stores.

Awards

- Determine awards, order saddles, trophies and plaques
- Be sure to order awards with plenty of time for them to arrive and be inspected

At the Show

When processing entries, show secretaries are responsible for the following:

- ✓ Memberships
- ✓ Eligibility
- ✓ Ownership
- ✓ Grade horses

NRCHA Memberships

- All owners and exhibitors MUST be current NRCHA members
- Anyone can renew or join at the show

NONF

ACCATION

Ownership

- Verifying ownership is very important because both owners and exhibitors must be NRCHA members
- In addition, if a Non Pro shows a horse that they or an immediate family member does not own, they are in violation and could have their Non Pro status revoked
- Ownership can be verified through the breed association
- Open, Limited Non Pro Boxing and Youth exhibitors do not have to own their horses
 - Keep in mind, if a Non Pro shows a horse that they do not own in an Open class, their Non Pro status is STILL at risk
- Horses CANNOT be shown on a transfer or a lease!

NRCHA Rulebook

2.4 Non Pro Ownership Requirements / Rules

2.4.1 Non Pros must not exhibit in Non Pro classes (except as noted in 2.4.5.3) any horses owned by any third party, but shall only exhibit horses solely owned by the exhibitor or the exhibitor's family, which is the exhibitor's spouse, legal domestic partner, child, stepchild, parent, grandparent, grandchild, aunt, uncle, cousin, step-parent, sibling, half-sibling, spouse's parent, spouse's step-parent, spouse's sibling, spouse's half sibling, spouse's step sibling, sibling's spouse, half-sibling's spouse, step-sibling's spouse, legal ward, or legal guardian. Separate legal entities such as family corporations, trusts or partnerships, are also authorized by this rule and must meet the family requirements as stated above. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse. Violation of this rule will result in disqualification from the class shown.

2.4.2 Any transaction relating to the sale of a horse to a Non Pro other than by family members must be at fair market value. The Non Pro is responsible for documenting said transaction in a satisfactory manner in the event of a protest.

2.4.3 Horses owned in partnership or jointly with any person other than immediate family are not considered as fulfilling ownership requirements.

Grade Horses

- If a horse is not registered with a major breed association, they are considered Grade
- Per rule 1.1.4.2, Grade horses must be registered with the NRCHA Office prior to showing
- Applications for grade horse licenses can be submitted at shows along with a vet certificate verifying the age of the horse, a bill of sale, and a \$25 application fee
- Grade horses or unregistered horses must consistently be shown under the name listed on their Grade Horse Certificate

Late Entries

- If a horse was properly entered but left out of the draw, the entry should be chipped in
 - A numbered token shall be drawn based on the number of entries
 - This token represents the "left out" entry and shall work behind the number drawn
 - Example: If token nine (9) was drawn, the entry shall work after draw nine (9) and before draw (10)
- If an entry is received after the draw, they should be put in the draw as follows:
 - Herd work last in the first set
 - Rein work first
 - Cow work first
- An organization may elect to put all late entries last in all phases so that on time entries are ensured fresh cattle

Scratches

Horse Shows

- Scratching BEFORE the draw
 - Most shows refund / remove all charges
- Scratching AFTER the draw
 - The add back portion of their entry fee MUST remain in the total purse. Total payout is based on the number of horses shown.
 - Example: You have five horses entered in the Non Pro Bridle but one scratched after the draw. The total purse is based on five entries. However, the payout percentages is based on the four horses actually shown. Based on rule 7.2, four horses pays two places. Points will also be based on the number of horses shown, which is four, in this example.
 - Scratches should still be listed in the results as a scratched entry

Limited Aged Events

- Scratching BEFORE the draw
 - Most shows refund / remove all charges
 - Some shows keep the cattle fee if cattle was specifically ordered for the entry
- Scratching AFTER the draw
 - The add back portion of their entry fee must remain in the total purse. The \$8 NRCHA and video fee may be refunded.
 - The total purse and payout scale are both based on the number of horses ENTERED
 - Scratches should still be listed in the results as a scratched entry

Payouts – Horse Show Classes

- Payouts are based on the number of horses SHOWN
 - Add back from scratched horses stays in the total money, but is not accounted for in the total number of horses shown
- To calculate payout, multiply the add back money by the number of entries
- Add in the added money for the total payout
- The NRCHA Payout Chart can be found in the NRCHA Rulebook, 7.2 and must be used for NRCHA category 1 approved horse shows
- For events that have Go Rounds, these results (money and placings) need to be recorded on their own results forms and should not be combined in the total results

Payouts – Limited Aged Events

- Payouts are based on the number of horses ENTERED
- Show management may utilize any payout method provided it is communicated exhibitors prior to the class.
- NRCHA recommends using the Rule 7.2 Payout Chart (found in the NRCHA Rulebook) 7.2 but it is not required
- For events that pay out in any of the phases (Herd Work / Rein Work / Cow Work), the total of the Go-Rounds plus the composite should equal the Add Back plus added money.
- Go-Round results (money and placings) must be recorded on their own results forms and should not be combined in the total results

Ties

There CANNOT be a tie for first place

- In the event of a tie for first, the winner is determined by the high cow score
- If the cow scores are the same, a cow work off may take place or a coin may be tossed to determine the winner
- If a tie still remains, refer to the NRCHA Rulebook 7.3.1.3
- Ties may occur between any placing after first, the money and points for placings will be combined and divided by the number of entries that have tied

Ineligible rider

- If a rider is found to be ineligible, he or she will be removed from the results
- Show management should collect and redistribute their winnings
- Notice of ineligibility goes to the rider, the show secretary, and manager
- There will be no refund of entry fees
 - Example: In this case, there were four entries and the second place exhibitor was found to be ineligible for this class. They were removed from the results. They returned their earnings to the affiliate to be redistributed to the original third place exhibitor. Total purse remained the same.

Zero Scores vs. No Score vs. Non Entry

A no score is not eligible for placing or points but WILL count as an entry in the class

- Abuse such as exhibiting a lame horse, abusive showing or schooling techniques
 - Abuse will not be tolerated and should be whistled out immediately

A zero score is eligible for placing or points and will count as an entry in the class

- Off pattern
- Work is not completed when the whistle is blown
- Lameness that appeared visibly sound at the beginning of the run
- Schooling between the rein and cow work when cow work immediately follows
- Out of control and endangering themselves or their horse
- Bloody mouth
- Illegal Equipment
- Fall of horse or rider
- Broken equipment and unable to finish
 - More examples of zero scores can be found in the NRCHA Rulebook under section 19

A non entry is not eligible for placing or points and will not count as an entry in the class and should be marked by the judge as NE in the score box of the judge's cards

- Failure to attempt to take the cow down the fence
- Failure to attempt to complete the rein work
- Failure to attempt the herd work
- Failure to attempt the cow work pattern in a limited class

Protests

If an exhibitor brings to your attention an issue with the judge's scoring, how is this handled?

Example: An error in addition to a rein work score.

This can be resolved at the show IF the show is still in progress.

• An error in addition to a rein work score can be reviewed by the show secretary. The show secretary can then bring it the to the judge's attention. The judge can review the score and make any changes necessary. The results should be corrected and the earnings and prizes should be redistributed by the show secretary.

If the show is already complete and the judge has left, an official protest must be filed with NRCHA.

- An Intent to Protest must be submitted in writing to NRCHA within 7 days of discovery
- A written protest must then be filed to NRCHA within 30 days of discovery and include \$100 cashier's check.
 - Any complaints filed by an NRCHA Director, Show Representative, Show Management or Judges are not required to submit the \$100 fee.
- Upon receipt, the Ethics Committee will investigate and consider the protest.

Protests

If an exhibitor brings to your attention an issue with the judge's scoring, how is this handled?

Example: The judge scored and placed a horse that went off pattern.

This issue can be resolved at the show IF the show is still in progress.

The NRCHA Show Representative should be notified as soon as possible. If there is a videographer, the judge and the NRCHA Rep can review the video and make any changes necessary. The results should be corrected and the earnings and prizes should be redistributed by the show secretary.

If the show is complete and the judge has left but there IS a videographer, an official protest must be filed with NRCHA and a copy of the video should be requested.

- An Intent to Protest must be submitted in writing to NRCHA within 7 days of discovery
- A written protest must then be filed to NRCHA within 30 days of discovery and include \$100 cashier's check.
 - Any complaints filed by an NRCHA Director, Show Representative, Show Management or Judges are not required to submit the \$100 fee.
- Upon receipt, the Ethics Committee will investigate and consider the protest.

If the show is complete and the judge has left and there is NOT a videographer, then the results are final.

The show secretary will fill out a judge evaluation at the show – Question 9 asks "Did the judge mark his/her cards properly, and without partiality?" That is NO. Check the Box and explain the situation in the space by question 12. Send it to NRCHA and we will make sure it gets to the appropriate people.

Payment

It is the responsibility of the show secretary to make sure that all show tabs are paid in FULL at the completion of the show.

- Per NRCHA Rule 1.1.6, Automatic disciplinary action will be taken against any NRCHA member who fails to make any payment of any kind, to the NRCHA, Reined Cow Horse News or any NRCHA approved show, in a fourteen-month period:
 - First offense- \$25 plus all bank charges, due and payable within 15 days. If not paid within 15 days it automatically becomes a second offense
 - Second offense- \$500 fine and suspension. Fine must be paid and worthless payment made good to be eligible to compete. NRCHA membership privileges will be suspended for the second offense of bad checks and for nonpayment of debt to NRCHA Show Management or NRCHA Approved Show Management
 - Third offense \$1,000 fine and 6 month suspension with reinstatement fee of \$65 and bad debt to be made good during the 6 months. Failure to make full restitution, including all bank charges during the 6 month suspension, will be grounds for review with the Ethics Committee for further action

- Report them to NRCHA as soon as possible!
- Automatic disciplinary action will be taken against any member who fails to make any payment of any kind, to the NRCHA, Reined Cow Horse News or any NRCHA approved show, in a fourteen month period. Rule 1.1.6
- No points or certificates shall be awarded to owner, rider, or horse until full restitution has been made on outstanding fees.

- Results should be received within 14 days of the last day of the show
- Results received after 14 days \$100 fine
- Results received after 30 days \$500 fine
- Results received after 60 days the show is not recognized

Any errors MUST be reported within 30 days of posting to the NRCHA website to be corrected.

- Please refer to list of forbidden medications beginning with rule 14.2.3 of the NRCHA Rulebook.
- If there is any doubt if the administered medication is acceptable or not, a medication report must be filed with show management. This can be found on the NRCHA website under resources, show management materials.

Practice Question #1 - Answer

There is an Open Hackamore class with five entries. The add back is \$50. The added money is \$250. The class has been drawn. Before the class begins, one horse scratches. How will this class pay out?

If you answered D, you are correct!

5 total entries x \$50 add back = \$250 + \$250 added money TOTAL PURSE = \$500

A scratched horse's add back stays in the pot. In this scenario, only four horses are actually shown. Per 7.2, this pays two holes.

 1^{st} place = \$300 2^{nd} place = \$200

Practice Question #2 - Answer

You are offering three events – horse show with \$1,000 added, derby with \$2,500 added and a futurity with \$5,000 added. What do you have to videotape per NRCHA rule 12.1.18?

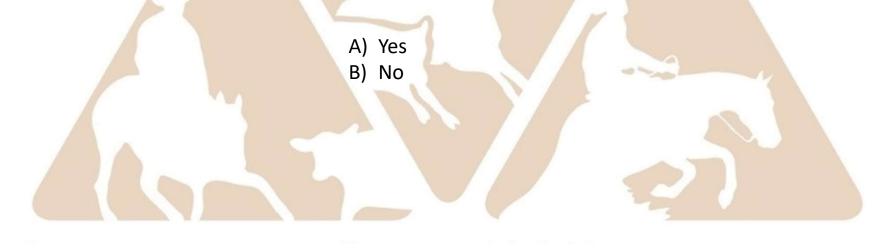

If you answered C, you are correct!

12.1.18 Videotaping is required for any NRCHA Approved event with \$5,000 or more in added money.

The NRCHA Approved Event considers the entire show (horse show, derby, and futurity) an NRCHA Approved Event.

Horse show - \$1,000 Derby - \$2,500 Futurity - \$5,000 TOTAL ADDED MONEY TO THE EVENT - \$8,500

A horse begins his 5 year old year with earnings of \$7,500 and is eligible to show in the Open Novice Horse. If the horse earns an additional \$6,000 by the middle of the show year, is he still eligible to show in the Open Novice Horse at the last show of the season?

Practice Question #3 - Answer

A horse begins his 5 year old year with earnings of \$7,500 and is eligible to show in the Open Novice Horse. If the horse earns an additional \$6,000 by the middle of the show year, is he still eligible to show in the Open Novice Horse at the last show of the season?

If you answered NO, then you are correct!

Per NRCHA Rule 10.4.5.1., a novice horse may not have won over \$12,500 in Limited Age Events. A horse will be **ineligible upon reaching the earnings threshold**, when results are officially published by NRCHA on the website.

Keep in mind, if the horse earned that money on the first day of the horse show, they can still continue to show in that class on day two or three, etc. of that particular show because the results have not yet been officially published by NRCHA.

You want to host a Non Pro Boxing Bridle Spectacular. What is this type of event is this class considered?

A) Horse Show Category 1 Special Event

- B) Horse Show Category 2 Special Event
- C) Limited Age Event Category 1
- D) Limited Age Event Category 2

Practice Question #4 - Answer

You want to host a Non Pro Boxing Bridle Spectacular. What is this type of event is this class considered?

If you answered B, you are correct!

This would be considered a Horse Show Category 2 Special Event because of the wording. The word "BRIDLE" means that this class is not in the list of horse show category 1 classes and puts an equipment restriction on this class. Any restriction automatically makes a class a category 2. That being said, a Non Pro Boxing Bridle Spectacular is a horse show category 2 special event.

At your show, you have a horse that scores a 72 in the rein work and falls down in the cow work of the Open Bridle. What is this horse's total score?

Practice Question #5 - Answer

At your show, you have a horse that scores a 72 in the rein work and falls down in the cow work of the Open Bridle. What is this horse's total score?

If you answered B, you are correct!

The fall of a horse or rider is a zero score, however, the rider will still get credit for his/her rein work.

72 + 0 = 72 Composite Score

A horse's bridle breaks in the Open Bridle and the rider is unable to continue. What does this mean?

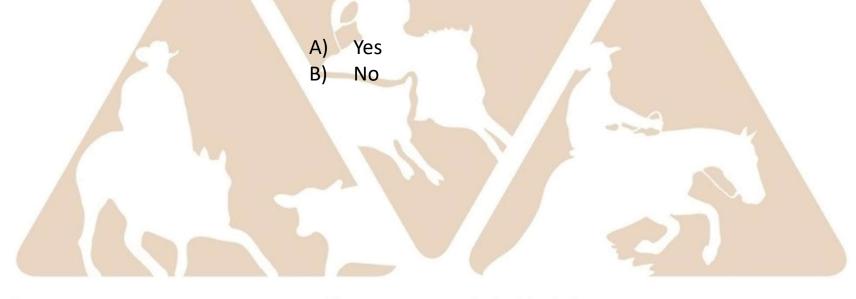

Practice Question #6 - Answer

A horse's bridle breaks in the Open Bridle and the rider is unable to continue. What does this mean?

Practice Question #7 - Answer

A Non Pro exhibitor just purchased a horse and has sent the ownership transfer to the appropriate breed association. Helpful Hints

- ✓ Be prepared! The more you know, the better.
- ✓ The NRCHA will send you as many Rulebooks or magnets as needed for free! Call or send an email to request them.
- ✓ Do as much before the horse show as possible.
- Communicate with the announcer, the scribe, and back gate help about schedule changes, breaks, drags, scratches, and adds to classes.
- ✓ Post the results and copies of judge cards at the show. This will help eliminate errors in scores, payouts, and eligibility.
- Finalize as much of the horse show as you can before you leave. The last thing you'll probably want to on a Monday night, when after you've had a long day at your 9-5 job, is work on more horse show paperwork.
- ✓ NRCHA is always here to help! Feel free to contact us with any questions, comments, or concerns!
