

Winter Weather Announcements

At 5 p.m. tonight, all water, wash racks, bathrooms, and faucets will be shut off and will remain off until temperatures rise above freezing in the RV Lots and Multipurpose building. Water will be left on in all other barns and arenas.

Arena Works has provided a water trailer, which will be available at the multi-purpose stalls at 6 a.m., noon, and 6 p.m. to allow exhibitors to fill water buckets as needed.

Heat will remain on in all buildings throughout the days/nights. Anyone in RVs are welcome to shelter inside the buildings as/if needed.

Dirt paths will be placed for exhibitors in Cattle Barns to access the Burnett (next to Oklahoma Equine), from the outdoor pavilion to Richardson Bass, and into the Multipurpose. We do have sand on-site to use on additional slick spots.
