### 2025 NRCHA Hackamore Classic Media Policy

#### **Overview**

The National Reined Cow Horse Association (NRCHA) is the international governing body of the sport of reined cow horse. Media coverage of the NRCHA, including its premier events, programs, and activities, is central to the association's continuing efforts to promote and grow the sport. The purpose of this media policy is to set forth enforceable guidelines for appropriate content-gathering and distribution at its premier events. This policy also safeguards the NRCHA's relationship with its official photographer and official videographer while encouraging attention from the news media, both inside and outside the Western performance horse industry.

Questions and feedback about the Media Policy may be directed to:

The NRCHA Official Photographer Primo Morales, and the NRCHA Official Videographer Equine Promotion, are the only authorized outlets for competition photos or videos. The NRCHA will eject and/or indefinitely ban from its events anyone who provides, or intends to use, photo or video footage in violation of this policy.

#### Photography and Videography Policy FAQ

**Q: I have a professional-grade camera and a lens that is longer than 4 inches. Can I photograph my own horses for use on my business website and Facebook page?**

A: Yes - all we ask is that you submit a media credential request form, **make the payment of \$600** and wear a media badge. A couple of friendly reminders: 1) please focus on your own horses, and 2) selling or giving away images you take at our event, or photographing more than your own horses, is prohibited.

**Q: Is it OK to use my professional camera with lens longer than 4 inches to shoot every horse in the class and post a gallery of images on my personal or business Facebook page?**

A: No - that is prohibited use under the NRCHA Photography and Videography policy due to the potential for interfering with our Official Photographer and/or Official Videographer.

**Q: I'm a professional photographer or videographer. One of the NRCHA sponsors wants to pay me to take photos of their products in action at the premier events. Is this permitted?**

A: Yes - we support our sponsors and their promotional endeavors! If you're on a specific assignment, please fill out the Media Credential Request Form, including the "Freelancers" section, and **make the payment of \$600 in the Media Office**. Always restrict your shooting to only the specific assignment for which you've been hired.

**Q: I used my camera phone to take a video of my horse on the live webcast from my computer screen. I put it on my website/Facebook page. Why did I get a call from the NRCHA telling me this is not OK?**

A: Recording, capturing or re-broadcasting any part of the webcast is not permitted. If you want your horse's run, it is available for purchase from the NRCHA Official Videographer Equine Promotion. Their team is able to upload high-quality video of runs almost as soon as the horse has left the arena.
